## STOPSBLEEDING™

*first aid enhancement*

CBS **The Doctors** recommends **STOPSBLEEDING™** as a  
“Must-Have in Your Personal Emergency Kit”

- **clots all types of bleeding** (including life threatening arterial bleeding)
- plant based, non-toxic, powder in sterile pouches
- conforms to all shapes & sizes of wounds
- affordably priced and USA manufactured
- quick, convenient & causes no pain, sting or discomfort (soothing)
- helps body’s natural ability to form a clot & accelerates healing

### Lou Ferrigno

*The Hulk, Mr. Universe, Active Deputy Sheriff & Emergency First Responder insists:*

“The ultimate stops bleeding product for everyone, including your children – Don’t look any further. Every person needs to have this product.”

#### Clinical Study Title:

Hemostatic Efficacy of Modified Amylopectin Powder in a Lethal Porcine Model of Extremity Arterial Injury

**Conclusion:** demonstrates ability to control major vascular bleeding in a lethal arterial injury model.

- Peer reviewed
- Published in a major medical journal by the American College of Emergency Physicians © 2008
